Washington 25, D. C.

Dear John:

25X1

I am writing to thank you for your prompt response to our request for support of our proposal to relocate this Agency's Photographic Intelligence Center in the [redacted]

The General Services Administration has been asked to expedite the leasing of these premises and I expect that we will be able to obtain possession and start the necessary renovations early this summer. When this work is under contract, we will call on you for the \$500,000 of Fiscal Year 1961 Army funds which you have agreed to contribute.

I heartily concur in your view of the increasingly vital importance of this joint operation and assure you that we are making every effort to have these premises available as promptly as possible.

Sincerely,

(EXECUTIVE REGISTRY FILE *Army*)
